

How to reach Valladolid /Yucatan from Tulum /Q.Roo

At the big crossroad of San Francisco, in Tulum go straight in the direction to Coba. The road is well signed and there is no way to get lost. There will always be signs pointing to either Valladolid or Chichen Itza. The road passes through Valladolid, and continue to Chichen Itza and Merida. Along the way you will encounter many towns and villages and will have to pass through them. Before entering a village or town there are many speed bumpers.

Distance 98 km. Time 1h10
